

WEDDING CELEBRATIONS

## SAY 'I DO'

A waterfront location rarely found in the Capitol City, the Patio at Waterman is situated directly along the Seekonk River and boasts remarkable waterfront views that are sure to stun any guest. The open-air space is complimented by beautiful woods that anchor the floor, leading to a small canopied section overlooking the water. Celebrate your nuptials in an intimate setting, surrounded by family and friends. After the 'I do's', the celebration continues outside with a cocktail hour. An excellent way to begin celebrating your special evening ahead.

## CELEBRATE

A setting just as dramatic as it is romantic; the Riverview Room is the ideal space for wedding receptions. Located on the lower level, the Riverview Room boasts spectacular views of the Seekonk River. Two sides of floor to ceiling windows drape the room providing stunning eye-level views of the water, while beautiful stone floors anchor the room. An abundance of natural light during the day and intimate lighting at night provides a welcoming atmosphere.

Our bar and lounge area is adjacent to the room and is a perfect spot to add additional space to your event. The Riverview Room seats up to 100 guests and offers ample space for formal gatherings while still creating an intimate atmosphere. For entertainment, the space easily accommodates a DJ or 3-piece band.

THANK YOU FOR YOUR  
INTEREST IN WATERMAN GRILLE
